INTRODUCING THE MARS DRINKS™ KLIX® MOMENTUM

Rethink The Daily Grind™

DESIGNED TO WORK HARD IN EVERY WORKPLACE

The MARS DRINKS™ KLIX® Momentum is designed to support fast-paced work environments, including transport and logistics operations, call centres, warehouses, manufacturing plants and agricultural businesses. No matter the workplace, MARS DRINKS' versatile technologies give people the power to create those moments that are exactly right for them.

The MARS DRINKS KLIX Momentum

The KLIX Momentum was designed to be easy to use, easy to clean and easy to maintain—all so that it's easy for your team to refresh and refuel. And MARS DRINKS work hard to ensure that their solutions are reliable, giving your people the drinks they need 24/7. But what truly differentiates the KLIX Momentum is the enhanced user experience:

- 5-inch colour touchscreen** - streamlines the way workers use the machine
- Easy-to-use backlit labels** - simplify product selection and identification of out-of-stock items
- Closed, hygienic vend area** - cup only accessible and illuminated when drink is ready to be enjoyed
- Removable splash plate** - simply place in the dishwasher for hassle-free cleaning
- Fast 17-second vend** - gets your team refreshed, recharged and back to work faster
- Full drinks range** - offers a wide selection of delicious coffees, teas, specialities, cold drinks and soups
- Flexible payment options** - can be configured for cashless, KLIXKEY® or coin operation

DELICIOUS VARIETY — WITH BRANDS AND FLAVOURS THEY’LL LOVE

With a choice of over 25 drinks, we will help you pick the perfect menu. MARS DRINKS KLIX® drinks selection ranges from hot to cold and includes coffees, teas, hot chocolates, cappuccinos, lattes, and even soups, cold water and juice drinks—all from carefully selected brands and all in one convenient package. Whether it’s a moment to refresh or recharge, the MARS DRINKS™ KLIX® Momentum delivers on taste and choice, with:

- 16 hot and cold drink options
- 17-second vend time
- 7oz regular and 9oz large cup sizes*

MARS DRINKS in-cup technology

MARS DRINKS’ unique in-cup system ensures that exactly the right amount of ingredients are already sealed inside the cup. They remove the complex process of mixing ingredients inside the machine and do the hard work in their Basingstoke-based factory. Your MARS DRINKS KLIX Momentum simply adds water to the pre-filled cup to deliver the perfect drink every time.

Pre-filled cups:

- Make stocking the machine easy
- Eliminate mess and waste
- Ensure the perfect drink every time

*Cup size refers to maximum cup capacity.

Delivering on Taste and Choice

Drinks play an important role in the workplace. At the heart of the ideal drinks range is a carefully selected menu that meets the needs of every palate while also supporting the many moments that make up the natural ebb and flow of the workday. MARS DRINKS offer a mix of coffee, tea, specialities, cold drinks and soups—ensuring the perfect drink for every moment.
